Letter of Recommendation

April 25th, 2026

To Whom It May Concern,

My name is Jaylon Yarbrough and I am a licensed real estate agent with Coldwell Banker Realty serving the greater Atlanta, Georgia metropolitan area. I am writing this letter in strong support of Stewart Alexander McNabb.

I have had the pleasure of working alongside Stewart McNabb in a professional capacity and can speak with confidence to their character, workmanship, and professionalism. In the real estate industry, the quality and reliability of the contractors we recommend to our clients is a direct reflection of our own reputation. It is not a responsibility I take lightly, and Stewart is someone I trust without reservation.

He consistently demonstrates a thorough knowledge of electrical systems, a commitment to code-compliant work, and a level of professionalism that is rarely matched in the trades. Every interaction I have observed whether with clients, other contractors, or industry professionals has been handled with integrity and care.

It is my full intention to refer my real estate clients, both buyers and sellers, to Stewart McNabb for their electrical needs as they transition into and out of their homes. I am confident that anyone who works with him will receive exceptional service and honest, quality workmanship.

I recommend him without hesitation and encourage the approval of this application. Should you have any questions or require additional information, please do not hesitate to contact me directly.

Best regards,

Jaylon Yarbrough
